EXECUTIVE SUMMARY

Built and led proactive HR programs for complex, service-based private and public organizations undergoing acquisition, turnaround, rapid growth and transitional business cycles. Derive success by consistently building, changing and optimizing organizational infrastructures, technologies, processes and measurement systems to increase value.

- Create vision and strategy, build consensus and align personnel around core revenue/profit growth objectives.
- Develop the resources to drive corporate culture change, create best-in-class organizations and build market-focused teams while reducing overhead costs and unnecessary expenses.
- Design and implement solutions to complex business challenges while organizing and developing people and driving influence across organizational boundaries.
- Design competitive and cost effective total rewards programs.
- Excel in leadership development, succession planning, M&A integration and process reengineering within union/non-union and multi-site work environments.
- National Conference Speaker and Instructor on Human Resources Essentials, Generations in the Workplace and Attracting, Retaining and Engaging the Hispanic/Latino Workforce.

PROFESSIONAL EXPERIENCE

FOUNDER/PRESIDENT

DAS HR CONSULTING, LLC

2008 - present

Human Resources Consulting Company focused on small and medium business.

A human resources consulting firm focused on 21st century non-traditional services. Develop Human Resources Strategic plans and organizational designs for companies. Provide Human Resources audits and develop recommendations for companies to achieve their business objectives. www.dashrconsulting.com.

VICE PRESIDENT OF HUMAN RESOURCES

2005 - 2008

DALLAS FORT WORTH INTERNATIONAL AIRPORT, Dallas/Fort Worth, TX

3rd busiest International Airport in the United States supporting 2000 employees.

Developed and implemented a highly effective human resources plan that enabled the Airport to achieve its objectives. Translated the business' objectives into executable strategic people plans. Built a strong, responsive, service orientated culture that balanced a clear understanding of the business' needs with governances and broader human resources requirements, proactively recommending clear and direct courses of action.

Strategic Leadership & Organizational Development

- Created a collaborative process to drive cultural change and support the business model. Worked with key executives to develop value added pragmatic people solutions tailored to specific business requirements and objectives that align to overall Airport's missions, value and strategies.
- Developed new executive performance review process to drive business objectives, corporate change, and behaviors. Enhanced the talent in the organization by developing Talent Review, Leadership Development Curriculum and a formal Succession process.
- Used analytics to demonstrate fact based cost-benefits analysis that drove changes to people programs.
- Developed the Centers of Excellence and Strategic Business Manager concept to all the Airport.

People, Process & Performance Improvements

- Created a human resources department that played an active role in creating a culture of high performance teams and encourage ownership amongst business leaders. Implemented an HR scorecard to hold the human resources department accountable to the business. Increased HR employee engagement from 40% to 75%.
- Implemented new Total Rewards Program Change (first in 10 years) with a \$3 million savings and implemented first ever Patient Advocacy Program to employees and retirees, wellness initiatives, preventive care and work life initiatives.
- Increased Diversity hiring representation from 38% to 56%; implemented the DFW Minority Internship Program from 3 participants to 24.
- Implemented new 457 loan procedures for all members, restated Pension Plan (first in 12 years), instituted on-the-spot employee recognition program, Leadership Pipeline Training for high potential employees.
- Streamlined and restructured the HR team to focus on productivity, clarified roles and responsibilities as well as drive enhanced skills in the areas of business acumen, results orientation and relationship/partnership skills.

CORPORATE VICE PRESIDENT OF HUMAN RESOURCES

2003 - 2005

UNITED NATURAL FOODS, INC., Dayville, CT

1.7 Billion multi site wholesale distributor, supporting 4000 U.S. employees and 5 divisions.

Championed development of a formal human resources architecture to standardize operations and provide the critical support for planned restructuring/expansion and accelerated growth. Led HR strategic planning and oversight encompassing recruitment, compensation, benefits, payroll, employee relations, training/development, and organizational effectiveness.

Strategic Leadership & Organizational Development

- Drove changes in corporate culture, countering “status quo” mindset to fuel process improvement initiatives that optimized efficiencies, enhanced productivity and improved internal/external customer service levels.
- Brought leadership, focus and structure to a complacent distribution company to poise it for its next level of growth. Led detailed assessments to identify value propositions for succession planning, strategic direction and restructuring.
- Developed national policies and procedures, employee retention, performance management and succession plans.

People, Process & Performance Improvements

- Cut HR expenses by securing national services in outplacement, recruiting, compensation, payroll and training.
- Manage the full implementation of ADP HRMS Enterprise; spearheaded a process improvement initiative to streamline HR administrative practices and procedures.
- Created a formal training/development organization, engaging internal resources and 3rd party vendors to improve employee bench strength in the areas of finance, sales, marketing, advertising, and operations.
- Drive for “employer of choice” by designing a comprehensive benefits consolidation from 22 plans to 3 nationally with cost containment guarantees.

Employee Communications & Relations

- Initiated HR branding strategy which involved the creation of a National employee communications program.
- Increased the overall integrity of the Corporate HR function through proper employee investigations, critical management feedback, and superior customer service.

VICE PRESIDENT, HUMAN RESOURCES

2001 to 2003

AMERICAN AIRLINES, Fort Worth/Dallas, TX

Nation's 2nd largest airline company, supporting 100,000 national and international employees.

Recruited from Boeing to lead the Diversity and all other HR departments initiatives but labor issues to change work force issues. Responsible for Human Resources functions including AA Conference Center, total rewards, pensions, executive compensation, recruitment, diversity, work/life, organizational/leadership development strategies with \$100 million annual budget responsibility. Responsible for policy and program development and charged with creating value based standards and consistent procedures for the entire HR function with a strategic focus. Led an HR staff of 200 employees. Board of Directors responsibility for Compensation and Diversity Committees.

Strategic Leadership & Organizational Development

- Developed the airlines first formal succession planning process and “room” review approved by the CEO and Board of Directors. Managed the succession process after 9/11 loss of talent at the airline. Worked to develop the “bench” for the next generation of leaders at American Airlines.
- Redesigned all executive compensation programs in order to improve retention at the airline post 9/11.
- Developed and implemented the Diversity program for American Airlines post 9/11 issues.

People, Process & Performance Improvements

- Established company wide metrics for monitoring and measuring regional and total company turnover, HR budget, litigation, and management terminations.
- Worked in conjunction with other HR leaders to establish HR shared services model for efficiency and cost containment.
- Responsible for new post 9/11 benefit and salary design, actuarial evaluation, plan communication, plan administration, plan audits, trust reporting, and negotiations consultation (pilots, flight attendants, etc.) for American Airlines total rewards program. Analyzed plan deficiencies and recommended changes which consolidated and standardized multiple administrative functions.

Employee Communications & Relations

- Conducted corporate level investigations in response to employee complaints and benefit fraud, including sexual harassment. Served as Corporate contact for all field HR legal matters.
